

**MERLOT** is a leading edge, user-centered, searchable collection of peer reviewed higher education, online learning materials. The materials are catalogued by 64,000+ registered members, and a set of faculty development support services. MERLOT's vision is to be a premiere online community where faculty, staff, and students from around the world share their learning materials and pedagogy.

MERLOT's strategic goal is to improve the effectiveness of teaching and learning by increasing the quantity and quality of peer reviewed online learning materials that can be easily incorporated into faculty-designed courses.

## MERLOT Mobile Search

*Putting educational innovations into practice*

MERLOT (Multimedia Educational Resource for Learning and Online Teaching) is a leading-edge online collection of peer-reviewed higher education learning materials. But getting access to the materials you want can be tough when you're always on the go. So MERLOT has partnered with Research In Motion (makers of BlackBerry) to provide you with MERLOT Mobile Search.

- Now, you can access and quickly search MERLOT's 20,000+ repository virtually anywhere you take your BlackBerry® smartphone.
- When you find the materials you need, you can email them to yourself or a colleague on the spot.
- It's all delivered in a simple interface that makes it easy to search MERLOT when you're away from your computer.

**Download MERLOT Mobile Search for FREE at**
